

FIG. 1 is a cross-sectional view of a multi-layered cylindrical assembly. The assembly includes an outer shell (106) with an inner layer (112). A central core (110) is positioned within the shell, featuring a central bore (114). The core is surrounded by a layer (113), which is further enclosed by a layer (116). The assembly is shown in a cross-section with various hatching patterns. Labels 106, 112, 110, 114, 115, 113, 116, 126, 128, and 118 point to specific components and features.
